- Social Media Posts
- 1/8 Coupon

A LA CARTE ADDITIONAL OPPORTUNITIES

- Judge the costume contest/have contest named after your business \$250
- Provide snacks and interact with racers \$250

For the past eight years, the Mount Juliet community has participated in Grace & Glory's charity event, The Amazing Race Mt. Juliet.

Loosely based on the competition-based reality television show of the same name, The Amazing Race Mt. Juliet incorporates a series of nine clues and challenges, which take its participants on a fast-paced trek through Mount Juliet.

The 9th Annual Amazing Race Mt. Juliet is scheduled for the afternoon of Saturday, August 13th. The goal of the race is simple: provide a unique and fun activity for the community, while raising money for the children of Haiti. With business sponsors and entry fees, the race raises money for Grace & Glory Academy in Lanzac, Haiti.

Grace and Glory's mission is to TEACH, FEED and LEAD families out of poverty in Haiti. Currently, Grace and Glory Academy reaches out to over 300 children from ages 3 to 18. Tanna Clark, Founder of Grace & Glory, told us, "The race started as a fun event put on by a few friends for a great cause, but turned into a truly amazing community event that brings people and businesses together in a fun, exhilarating way. Throughout the eight years, we have put on the event, the funds raised have helped provide meals, build school furniture, and provide needed supplies for the school located in Lanzac Haiti."

This event is dependent on the generosity of our sponsors. We hope you will join in our race for the children of Haiti.

GRACE & GLORY
TEACH. FEED. LEAD.
